

A wine glass filled with red wine is the central focus on the left. In the background, a bottle of wine is partially visible on the left, and two red roses are in the foreground on the right. The background is a dark, starry night sky with bokeh light effects.

REACH FOR THE STARS

Miramont Estate Vineyards' Celestial wines celebrate the spirit of turning dreams into reality and creating a little slice of heaven on earth.

At our family owned and operated vineyard and boutique winery, we craft small lots of distinctive wines from our own estate-grown Cabernet Sauvignon grapes and premium Chardonnay grapes grown in the Lodi region. Our wines romance the senses, making each moment something to savor.

SPARKLING WITH A FRAGRANT BOUQUET AND RICH, FULL-BODIED FLAVOR, OUR CELESTIAL WINES ARE OUT OF THIS WORLD!
